ISSUE 40

APRIL 2018

Mayor's Message

I open this message with good news regarding the fate of the Narragansett building at the corner of Rollins and Railroad Streets. For years I have answered questions about what the City is doing about the property by saying, "we're working with the owner to come up with a solution." I am happy to report that we have reached an agreement to purchase of the property that is acceptable to the City and the property owner, without court action. This purchase will allow the City to apply for a Community Development Block Grant for demolition and clean-up of the Narragansett Building and two additional commercial structures in town identified as dangerous. The City should know this summer if we will get the grant.

On another front, we are tackling upcoming issues with the Water Treatment Plant and the Sewage Treatment Facilities. Both systems are in excess of thirty years old. While our City Water Department staff have maintained these operations exceptionally well, there comes a time when a significant amount of maintenance work must be accomplished. That time is now. As you read this, the April elections have taken place and I'm hoping that the citizens understood the necessity of the upgrades to the Water and Sewer systems and approved the bond issue. The repairs must be done, and so it is only a matter of when, and how to pay for it.

I have been working with State Senator Caleb Rowden and Representative Cheri Toalson Reisch to enact legislation for the benefit of Centralia. Non-charter cities in Missouri do not have the authority to ask their citizens for a Public Safety Sales Tax without such special legislation. If this bill passes and is signed into law, we could bring a half-cent sales tax to support police, fire and emergency medical services to voters of Centralia as soon as November.

Centralia's finances are currently strong overall, however, the General Fund budget has been strained trying to adequately meet the City's needs. There are many things which are funded through the General Fund; i.e. street and storm water maintenance, administration, community development, finance, the Police Department, and the Fire Department. As times goes on and prices continue to rise, the need for additional revenue becomes necessary. The proposed legislation will allow the city to ask the voter's approval to raise that much needed revenue via a local half-cent sales tax initiative.

Our Police Department performs an EXEMPLARY JOB in enforcing City, County, and State laws. Our Fire Department likewise performs ADMIRABLY in many situations throughout the city. Each of those departments often perform hours of

community outreach and continually perform their duties for the benefits of the entire community. The Police Department is trying to keep two officers on duty at all time, for safety, and this is expensive for a town our size.

Of course the employees in the all departments are vital for the safe and efficient provision of service to Centralia. Please join me in showing your appreciation to our city staff and our city employees. Thank you for your continued confidence in your city government. Please send me your ideas to help continue our improvements. Send an email to: tgrenke@centraliamo.org and copy Matt Harline, the City Administrator at: cityadmin@centraliamo.org. Or mail correspondence to City Hall, 114 S. Rollins Street, Centralia, MO 65240. Thank in advance for your willingness to help. God Bless Centralia, Missouri and the United States of America. **Tim Grenke, Mayor**

Coming Soon...

Customers will have the ability to use their credit/debt card to make utility payments. A convenience fee of 3.5% will automatically be added to your payment amount. The City does not receive this fee. More information forthcoming in the very near future.

2018 City Spring Clean-Up

Please see [page 6](#) for details.

Friday, April 13 at Noon to 7 p.m.

Saturday and Sunday, April 14 and 15 at 9 a.m. to 5 p.m.

Friday, April 20 at Noon to 7 p.m.

Saturday and Sunday, April 21 and 22 at 9 a.m. to 5 p.m.

Dog / Cat License

If you own a dog and/or cat that is at least 5 months old, *you are required to obtain a City license for each animal "annually"*

June 1st to May 31st. To obtain a City animal license, please provide City Hall with a *current rabies vaccination record*. Dog licenses are \$2.00; cat licenses are \$2.00 if the cat has been spayed or neutered; **\$15.00 if the cat has not been spayed**

or neutered. No household shall have more than 4 dogs *and/or* cats over the age of 5 months. All dogs are subject to the City's leash law. For more information regarding City animal licenses or the City leash law, contact City Hall.

Fire Can Damage Storm Sewers

Many of the City's storm sewer pipes and grates are made of high-density plastic that will burn and melt! Please **DO NOT** burn leaves or anything else near a storm sewer inlet or grate. If you damage the storm sewer, the City will bill you for the cost of materials and labor for the repairs.

Burning Regulations:

The City does allow burning of paper, cardboard, brush and leaves. **However:**

- Someone must attend fire at all times
- No burning within 25 feet of any structure
- No burning after sundown
- No burning on street pavement or near a storm sewer inlet

Damaged Water Meter Lids

The lids to most water meters have a small radio antenna on top so that they can be read without opening the lid. Although the City has tried to locate them out of harm's way, some have occasionally been damaged by a lawn mower or during driveway snow removal. Repair or replacement of these "transponders" can be expensive.

The City has adopted a policy where the customer is responsible for the cost of damage. In the first instance of damage, the customer will be billed \$45.00 which is 50% of the cost. For the second and subsequent instances, the customer will be billed for the full cost.

Water & Sewer Call Outs

If City utility customers need to have water services turned on *or* off, please contact City Hall at 573-682-2139. If you need assistance after hours *or* on the weekend, please contact the Police Department at 573-682-2132 and they will contact the Water Department. ***Only licensed plumbers should turn off water services in a true***

emergency, since a special wrench is used. The plumber should still contact City Hall or the Police Department.

Shut-offs for convenience or non-emergency situations should be scheduled for regular working hours, ***not on weekends.***

Customers with sewer problems should contact City Hall about the problem first. If the problem is with a City main, the City will not reimburse for a plumber's charges unless the City has been notified and given a chance to examine the situation.

Be Careful What You Flush

Some City customers have been disposing of rags and cleaning products such as "Swifter mop pads" by flushing them into the sewer system. These will not bio-degrade and can easily plug your sewer service (expensive); or worse, can clog lift station pumps and burn out motors (much more expensive). **PLEASE**, throw these items in the trash.

July 4th Fireworks Display

The City of Centralia will host the annual Independence Day fireworks display on Wednesday, July 4th, after sunset at the City Recreation Park at the end of Booth Street. This event is **FREE** to the public, and everyone is welcomed to attend.

Rules for setting off fireworks inside City limits:

- Permitted fireworks are allowed only from July 1st through July 4th from 8 a.m. to 10 p.m.
- No bottle rockets or other rockets allowed
- No fireworks which propel projectiles into the air allowed (except roman candles)
- No fireworks may be discharged on streets, sidewalks, parks, or other public property
- No fireworks allowed within 600 feet of a church or school

Centralia Recreation Center

Located in Nathan A. Toalson Bicentennial Park at 802 West Lakeview Street. The Centralia Park and Recreation Department Office is located in the Recreation Center.

Front door hours of operation are Monday thru Saturday 8:00 a.m. to 8:00 p.m. and Sunday noon to 6:00 p.m.

See [page 2](#) for information concerning the Centralia Municipal Swimming Pool, admission fees, annual memberships, and many more events. For more information, call either 573-682-5063 or 573-682-2196 or visit the City of Centralia's website at www.centraliamo.org.

The Centralia Parks and Recreation Department accepts reservations for the following five park shelters at no charge: North Shelter, Middle Shelter, and South Shelter located in the City Recreation Park on Head Street, Nathan A. Toalson Bicentennial Park Shelter located on West Lakeview Street, and the Wabash Depot Shelter located at Jaycee Park on North Allen Street. Reservations are also available for the Gazebo located at the City Square Park in downtown Centralia. To make reservations or check availability, contact the Recreation Center at 573-682-5063 or 573-682-2196.

You may fish at the north & south ponds at the City Recreation Park on Head Street. These ponds are stocked with catfish, bass and bluegill. Limits for catfish and bass - 4 per day with a 12" limit in length. Missouri Department of Conservation regulations apply, when fishing in City ponds. City Ordinance prohibits swimming, boating, or ice skating on either pond.

Information from City Hall Staff

- **City Website Online Account Access:** The City is now able to offer online account access to utility customers. This access allows customers to view their most recent bill, access 12-month account history, and even pay their bill online using a debit/credit card with a 3% fee for using a card. Signing up for an account does not require the customer to make online payments, and there is no charge to create an account. If you need assistance obtaining your 4-digit account number in order to create an account, contact City Hall Staff at 573-682-2139 or send an email to cityhall@centraliamo.org.
- **Utility Bill Auto-Debit Program:** Would you like to have your utility bill automatically deducted from your checking or savings account each month? In order to be eligible for this service, you must have an active utility account at least 6 months prior to application. During this 6 month period, you must not had services disconnected for non-payment or any returned checks on your account. *Payments will be deducted from your account on the 10th day of each month.* For information, please contact City Hall or visit our website at www.centraliamo.org and click on "Forms/Publications".
- **Internet Banking:** Customers who use internet banking, please **be sure your Service ID #, Customer Name and Current Address are correct**, so that credit is given to the correct utility account. You can find your Service ID # on your utility bill. *If you change your address, your Service ID # will also change.*
- **Utility Payments:** It would be helpful when submitting your bill for payment, **if you would include the stub** from your

"original bill" with your payment. This would also apply if you receive a "Delinquent Notice".

- ✓ The City is not allowed to accept partial payments, or out-of-town checks without prior approval.
- ✓ When writing a check to the City, banking institutes have requested the use of **black or blue ink only** as their scanner does not recognize other colors.
- ✓ If you participate in the Budget Billing program and wish to make an overpayment, please let City Hall Staff know if you want to have the overpayment applied to your Budget Billing.
- **E-mail Billing:** The City is offering customers the convenience of having their utility bill emailed to them. To sign up for this program, please e-mail the name as it appears on the utility account, address, and email address to Julie at julie@centraliamo.org or contact City Hall at 573-682-2139.
- **Not Receiving Your City Utility Bill:** The US Postal Service has changed some of their procedures and your city utility bill could be delayed up to 3 - 4 days. If you do not receive your bill by the 5th day of the month, please call City Hall. *Not receiving your bill is no excuse for not paying your bill as you know you should have a bill.*
- **Disconnection of Utility Services:** In the event a utility customer is disconnected one time within a twelve month period for non-payment, a deposit will be required to bring the amount of deposit held on hand by the City to the equivalence of \$100 for electric and \$50 for water plus the disconnect fees, before utilities will be reconnected, unless otherwise approved by the City Administrator. Payment may only be accepted by those names listed on the account without prior approval. *However*, if a utility customer is disconnected twice within a twelve month period for non-payment, an additional deposit will be required to bring the amount of deposit held on hand by the City to the equivalence of \$200 for electric and \$100 for water plus the disconnect fees, before utilities will be reconnected, unless otherwise approved by the City Administrator.
- **City Utility Customer Donation Program:** Donations received are used to provide assistance to City of Centralia utility customers. Anyone wishing to donate to this program may do so by adding a voluntary contribution to their utility payment. Administrative distribution for this program is provided by the Centralia Ministerial Alliance, acting as the gate-keepers for the City's program.
- **Budget Billing Information:** If your residential electric bill seems to swing from season to season, you may want to consider participating in our Budget Billing Program. You must be a City utility customer for at least one year at your current residence and have a good payment history. Budget billing is helpful to customers by making the electricity charge predictable from month to month. It is not a way to avoid paying utility bills, but it can certainly help customers to set up a manageable budget. Budget Billing affects the electric amount only. All other charges will apply as normal. Contact City Hall for more information.
- **Phone Numbers:** Please provide City Hall with a current phone number in case we need to contact you in an emergency.

Composting/White Goods Site Summer Hours

As sunset comes later day-by-day, there will be new hours to access the site of the white goods disposal area near the old landfill.

Starting Memorial Day, May 28th, the site will be open as follows:

- Tuesday from 2 p.m. to 6 p.m.
- Thursday from 1 p.m. to 3 p.m.
- Every other Saturday from 9 a.m. to 1 p.m. beginning on June 16, 2018 (see the Recycling Calendar on [page 8](#) of this Newsletter).
- We will return to shorter hours after Labor Day.

There is currently no mulch available and there will not be any until further notice

Just a reminder, no lumber or railroad ties should be taken to the compost pile. Lumber and railroad ties cannot be chipped; plus they could contain chemicals that may not be biodegradable.

When disposing of large appliances, please come to City Hall to obtain a free permit prior to disposal at the composting site (old landfill).

Avenue of Flags Schedule

The Avenue of Flags will be displayed during Memorial Day with at least 462 flags. The schedule for raising and lowering the flags as weather permits as follows:

- ✓ Raise May 24 @ 5:00 p.m. Lower June 4 @ 5:00 p.m.
- ✓ Raise June 28 @ 5:00 p.m. Lower July 5 @ 5:00 p.m.
- ✓ Raise November 8 @ 2:00 p.m. Lower November 13 @ 2:00 p.m.

The above is subject to change; check the Centralia Fireside Guard or call City Hall at 573-682-2139.

Volunteers are needed to help raise and/or lower the flags. Flag sets may be purchased for \$100/each and donations are also accepted. For additional information, please contact City Hall.

Centralia City Cemetery Updates

New: The City Cemetery Database is now available on the City's website <http://www.centraliamo.org/cemetery/burialdb.aspx> Follow the instructions provided to locate a grave space by last/first name.

All grave decorations not attached to a monument must be removed yearly by February 28 through October 31 to help defray mowing costs and prevent damage to the mowing equipment and injuries to personnel. Any decorations not removed yearly by March 1 will be discarded. **Memorial Day decoration may be displayed from May 15th through June 15th.** After June 15th any items not permanently attached to a monument will be removed and discarded. If you have any questions, please contact Phyllis Brown, Cemetery Sexton at Centralia City Hall 573-682-2139 or email phyllis@centraliamo.org.

Basketball Goals

The fact that people feel safe playing in the streets of Centralia is a credit to the Police and Street Departments for creating that environment. However, basketball goals in the streets are an obstacle for trash trucks, snow plows and other public works activities. Section 30-2 of the Centralia City Code requires City staff to remove any obstacle. In addition to city trucks, other service vehicles and private vehicles may collide with anything in the street and the liability will be on the owner of the basketball goal. Please keep the streets clear so that we do not have to move anyone's personal property. Thank you.

Brush Pick Up Curbside Only After Damaging Storms

The City only picks up brush and broken branches at curbside after damaging storms. Brush must be easily accessible from the street and must not be left in the ditch or where it blocks drainage. *This service is not done on a set schedule. The City will try to make collections soon after damaging storms.* Otherwise, all brush and limbs should be taken to the brush pit located at the Water Tower on North Street or to the old landfill site at the end of Ann Street.

Emergency Sirens Test Schedule/Storm Shelters

Reminder, the Emergency Sirens will be tested on the *first Wednesday of each month*. In the event of severe weather, there are three Emergency Storm Shelters available:

- **First Baptist Church at 101 N Collier:** Enter through the north door on Singleton Street proceeding to the basement.
- **First Christian Church at 229 S Rollins:** Enter through the south door on Barnes Street) proceeding to the basement.
- **Holy Spirit Catholic Church at 404 S Rollins:** Enter through the east door (back door) proceeding to the basement.

If you arrive at one of the above shelters and it is not open, contact the **Centralia Police Department at 573-682-2132.**

2018 Spring Clean-Up for the City of Centralia

"2018 Spring Clean-Up for the City of Centralia" will take place at the Public Works site near the old closed landfill as follows:

- Friday, April 13th from Noon to 7 p.m.
- Saturday and Sunday, April 14th & 15th from 9 a.m. to 5 p.m.

- Friday, April 20th from Noon to 7 p.m.
- Saturday and Sunday, April 21st & 22nd from 9 a.m. to 5 p.m.

This is an opportunity for citizens to dispose of large and bulky solid wastes and large volumes of regular solid waste. It is in addition to the regular City trash collection.

The large and bulky refuse will be collected in 30-cubic yard roll-off dumpsters. This service is available to City of Centralia trash collection customers only. The dumpsters will be located north of the Golf Course, near the City's animal pound. The site is located east on Highway 22 and turn left (north) onto Ann Street (the last street into the trailer court). Head north two blocks to the gate identifying "City Property. The City's composting site is available during these same hours and is available year round, but with limited hours.

A location is set aside for large appliances. An attendant will be on hand to give directions and fill out the *free permit* (used for record keeping only). This location is open the remainder of the year with limited hours. The *free permit* can also be picked up at City Hall.

By State Law, the following items cannot be put in dumpsters or in the regular collections:

- hazardous waste, including pesticides and most chemicals
- lead-acid batteries, waste oil, and all liquid wastes, including cans of wet paint
- yard waste, including grass and leaves (take yard wastes to the regular compost and mulch pile just up the road from the dumpsters located at the old closed landfill site during clean-up week only.)
- whole waste tires - cut tires by bisecting them lengthwise or quartering them or use a commercial tire store for disposal
- old large appliances - see above

Through Spring Clean-Up, the City will provide a collection of *large tree branches and whole shrubs*. City crews will pick up branches provided they are neatly stacked next to the side of the street (but not in the ditch). There will be no alley pick up of branches.

After Spring Clean-Up, branches can be taken to the brush pit adjacent to the compost site or to the drop off site on North Street next to the water tower. The City will pick up branches, as time permits, in the case of damaging wind storms.

If you are a senior citizen or physically unable to remove the solid waste from your home, or bring the items to the dumpster site, please contact City Hall **no later than Friday, April 6, 2018** to have your name added to the list. We have identified civic groups who will provide volunteer help. For further information call City Hall at 573-682-2139.

Regular Policy on Large Bulky Items: During the remainder of the year, the City's trash service, Dayne's Waste Disposal will collect almost any large item or solid waste (couch, chairs, bed frames, microwaves, toilets) unless items are so large that they cannot be handled by Dayne's Sanitation Crew. *City residents are permitted **one large bulky item per week can be placed with your regular trash at no additional fee; however, any additional items are \$7.50/item.*** No materials from housing construction or demolition will be picked up by Dayne's Waste Disposal. If you have a problem item, contact City Hall Office Staff at 573-682-2139.

City Of Centralia Recycling Program

Recycling is our way of paying it forward to future generations.

The City of Centralia contracted Dayne's Waste Disposal for curbside *pickup of recyclables on the 1st and 3rd Friday's of each month. All recyclables must be at curbside by 1:00 a.m. or the night before.*
