I, Wendy S. Noren, Clerk of the County Commission and Election Authority in and for the County of Boone, State of Missouri, do hereby certify that at the election held in the City of Centralia, County of Boone, State of Missouri, on Tuesday, April 5, 2016, there were cast by the qualified voters of said City the following votes:

QUESTION NO. 1

Shall the City of Centralia, Missouri continue applying and collecting the local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from a source other than a licensed Missouri dealer?

Rejection of this measure will result in a reduction of local revenue to provide for vital services for the City of Centralia, Missouri, and it will place Missouri dealers of motor vehicles, outboard motors, boats, and trailers at a competitive disadvantage to non-Missouri dealers of motor vehicles, outboard motors, boats, and trailers.

COMMENTS FROM CITIZENS:

The Comments from Citizens portion of the meeting was opened at 7:08 p.m. by Mayor Grenke.

Jessica Orsini, 231 S. Hickman

Orsini stated that she had been talked to some of the people in her ward, and some of the comments they made were about standing water and sidewalk issues. She noted two issues of concern: dilapidated structures including the Naragansett building and houses with raccoons going in and out. The other area of concern Orsini mentioned was the possibility of changing the speed limit on Singleton. She said many residents would like to see the 20 mph zone extended across railroad tracks. She said this was a major concern with everyone within a block of that street.

Daniel De La Rosa, 429 S. Collier

De La Rosa said he would like to address something about a Naragansett building; he stated that when it wasn't very far gone, his brother had applied for a loan but the Chamber of Commerce falsely reported that the building was already condemned. De La Rosa said he'd like to see the City keep more of a neutral response instead of hampering when they are trying to do something. He stated that he stood in meeting about four years ago, and said the engineer was not allowed to set the tension cable and it was set too tight, showing it was a sound structure. De La Rosa commented that there are buildings downtown and you can look in the metal sidings and see what you don't want to see. He said he could also show that in some buildings you could see bricks fall, but stated that you have never seen bricks fall from his brother's building. He said that regardless of how something looks, it's a matter of taste. He said that he believes his brother has an agreement and has been following it.

Grenke said he didn't know if his brother has been following the agreement. He noted that he had walked around town and there was nothing going on in the building on a very nice day. Grenke said that, in his humble opinion, he

**City of Centralia
Board Minutes – March 21, 2016**

has been in the building and thinks it is beyond repair. He noted that he has been inspecting other buildings on an OSHA level and sees a lot of violations in that building.

De La Rosa said he feels that the City should have kept off his brother's back.

Bormann questioned when the chamber would have said the building was condemned. De La Rosa said it would have been 15-16 years ago. Bormann said that he was on the chamber board and it was never discussed.

Lee asked De La Rosa for clarification on a previous comment in which De La Rosa had stated there haven't been any bricks fall from the building. De La Rosa said nothing on top had fallen out there on the streets.

Grenke said that there have been comments from other citizens that they will not fix their own building until the Nargansett building is fixed. Magley stated the City has been dealing with the building for 16 years. Delarosa said it is the City's fault, and they stomped the City in court.

Hearing no further comments, the Comments from Citizens portion of the meeting was closed at 7:17 p.m. by Mayor Grenke.

CLOSED SESSION:

Alderman Bormann moved the Board of Aldermen of the City of Centralia, Missouri hold a closed meeting and a closed vote, and the specific reason for closing the meeting and having a closed vote was: hiring, firing, disciplining or promoting a particular employee by the City of Centralia where personal information about the employee will be discussed or recorded, as provided for under Section 610.021 (3) of the Revised Statutes of Missouri and preparation, including any discussions or work product, on behalf of a public governmental body or its representatives for negotiations with employee groups as provided for under Section 610.210 (9) of the Revised Statutes of Missouri. Alderman Bormann asked that this motion be adopted by roll call vote. The motion was seconded by Alderman Wilkins. Aldermen voting FOR: Bormann, Lee, Magley, Vollrath, Ward and Wilkins. Voting AGAINST: None. The meeting went into closed session at 7:19 p.m.

During the closed session, no votes were taken. Alderman Wilkins made a motion to return to open session and asked that this motion be adopted by roll call vote. Alderman Lee seconded the motion. Aldermen voting FOR: Bormann, Lee, Magley, Vollrath, Ward and Wilkins. Voting AGAINST: None. The meeting returned from closed session at 7:33 p.m.

Harline asked if the Board would prefer to table this item. He stated that all of the expenditures and revenues are in the document, but there are a couple of items that still need to be added. Alderman Wilkins made a motion to table adopting the fiscal year 2016-17 City budget. Alderman Vollrath seconded the motion. On a call by the Mayor for ayes and nays the motion carried unanimously.

Per the Park Board and Park Director’s request, Alderman Wilkins made a motion to approve the transfer in the amount of \$7,000 from the Recreation Center fund to the Pool fund, \$6,500 from the Park fund to the Pool fund, and \$13,000 from the Park Sales Tax fund to the Park fund. Alderman Vollrath seconded the motion. On a call by the Mayor for ayes and nays the motion carried unanimously.

RESOLUTION: Authorizing July 4th Fireworks Display at City Recreation Park

Harline said that because of the small glitch with 3 inch shells last year, we’ll have a slightly better price and an excellent display after negotiations.

Alderman Wilkins presented a bill marked and designated as bill no. 2796 to create an ordinance entitled “A RESOLUTION ISSUING A PERMIT TO THE CITY OF CENTRALIA, MISSOURI TO CONDUCT A SPECIAL FIREWORKS DISPLAY AT CITY RECREATION PARK.” Alderman Wilkins moved that it be placed on its first and only reading by title only. Before the bill was introduced copies of the bill were made available for public inspection. Motion was seconded by Alderman Magley and motion carried unanimously. The bill was then read by title only. The Mayor then called for discussion on the bill and after some discussion Alderman Wilkins moved the final passage of the bill. Alderman Bormann seconded the motion. The Mayor called for a roll call vote and the ordinance passed with the following vote: Aldermen voting FOR: Bormann, Lee, Magley, Vollrath, Ward and Wilkins. ORDINANCE: Authorizing Compensation for Certain City Employees

Harline said the ordinance would adjust the pay scale 2.5% for all employees, and includes 9 other raises.

**City of Centralia
Board Minutes – March 21, 2016**

MISSOURI.” Alderman Magley moved that it be placed on its first reading by title only. Before the bill was introduced copies of the bill were made available for public inspection. Motion was seconded by Alderman Wilkins and motion carried unanimously. The bill was then read by title only. Alderman Magley moved the bill be placed on its second reading. Motion was seconded by Alderman Ward and motion carried unanimously. The bill was then read the second time by title only. The Mayor then called for discussion on the bill and after some discussion Alderman Magley moved the final passage of the bill. Alderman Vollrath seconded the motion. The Mayor called for a roll call vote and the ordinance passed with the following vote. Aldermen voting FOR: Bormann, Lee, Magley, Vollrath, Ward and Wilkins. Voting AGAINST: None. The Mayor declared the bill passed and thereupon signed the same as passed. The bill was approved by the Mayor and signed by the Mayor as approved and was returned to the City Clerk who attested to the signature of the Mayor, affixed the city seal and the Ordinance was designated as Ordinance 2847.

ORDINANCE: Amending Chapter 11 of the Centralia City Code as it Relates to the Sale of Fireworks within the City Limits of Centralia, Missouri

Harline said that this ordinance as presented probably needs to be tabled as it is written, but if the Board can accept that it is a retail option, restrict to B2 and M1, it would be passable. But if you would like to be more conservative, it could be added to include a temporary fireworks stand for consumer fireworks. This ordinance allows for the sale of fireworks for the period of time allowed by state law and allows for specific notice that the Board asked for to allow sale of fireworks that we do not allow to be discharged in Centralia. It basically permits a longer period and requires \$200 fee to be paid to the city. Harline said he spoke with the county, and if someone wants to set up a stand and does not want electric service, there is little regulation other than state law. The county doesn't require a specific zoning district, but does require a fee for a tag electric. They would have no problem with us setting a meter and doing that ourselves. Harline said he also talked to Boone Electric and they have a specific policy for new fireworks stands and he's waiting to hear back from them on that. The \$200 fee includes \$100 deposit, \$25 temp meter fee & \$8.91 for the base meter fee.

Magley questioned what the fee would be if they don't need electric, or are selling from inside a building. Harline asked if he meant that they might be using an extension cord from an existing business, and said the City could set it up to take off \$125 if there is already electric service at the location.

Alderman Bormann made a motion to table presentation of the ordinance to the next meeting. Alderman Wilkins seconded the motion. On a call by the Mayor for ayes and nays the motion carried unanimously.

Purchasing:

ORDINANCE: Authorizing Contract with CREDI for Economic Development Services

Bormann asked if CREDI had made a request. Harline said that they have not. Bormann stated that he thinks it is premature to adopt the ordinance if they have not requested it. He said he feels that they need to follow the same format as the Chamber of Commerce, such as putting the request in writing to outline what their plans are.

Orsini said she would like to recommend funding for CREDI be contingent upon and require at least quarterly representation from CREDI at the council meetings. Magley stated that they have been here several times.

Wilkins noted that they do usually come to a committee meeting. Bormann said that if it is a volunteer coming to the meetings, but if the person is being paid then it the money is being used to pay the person instead of being used somewhere else. Grenke pointed out that it is in the bylaws for the chamber that they provide a report

Orsini said it is about them being available to the public at least quarterly to answer questions. Harline stated that the current contract says they will provide quarterly reports. He added that if the Board would like add to that an in-person presentation would also be required, this would be the time to add it. Bormann said he was not in favor of requiring an in person presentation. Lee said he would think it would not necessarily need to be their paid employee.

Alderman Wilkins made a motion to table the presentation of the ordinance until next meeting. Alderman Vollrath seconded the motion. On a call by the Mayor for ayes and nays the motion carried unanimously.

Smith said he would like to clarify that the Board has agreed to table the item, and will have a clause to add that there needs to be a presentation at least quarterly.

MUNICIPAL SWIMMING POOL IMPROVEMENTS UPDATE

Erle Bennet, Park Director presented to the Board a lengthy status report on the pool project.

Bennett stated that initial budgeted amount for the pool project was \$900,000. Bennett also stated that the slab for the building has been poured and inspected by ESS. The necessary plumbing inspections were also completed. Bennett told of other work to be done on the pool and other areas such as sandblasting and painting of the pool and sealers to the guttering, AC unit in concession stand with installation of sinks, range and refrigeration. Bennett estimated the payment to Westport Pool will be shy \$467,000 as they were originally going to do the fencing but Reinhart can get and do materials cheaper so they are going to do the fencing. Bennett stated an additional \$400,000 is to be used for the building. Of which \$396,000 is to be paid to Reinhart Construction.

**City of Centralia
Board Minutes – March 28, 2016**

Bennett felt that approximately \$2000 is to be spent for AC for the concession stand. Bennett surmised the total approximate cost to date is \$865,000 leaving \$35,000 for the parking lot.

Parking lot is to be done in concrete as it is cheaper than asphalt and will last longer and will be using local contractors. The new parking lot will add an additional 10 parking spaces with 3 handicap parking spaces.

Inspections have been done by ESS with anticipated opening on May 30, 2016.

Bennett stated that park board is requesting that there be two transfers from the Park Sales Tax. One in the amount of \$44,400 (Capital Outlay Fund) to be used for pool furnishing such as benches, tables and pool chairs and an additional \$17,000 (Capital outlay Fund) to the park for capital projects (mainly ADA compliance on sidewalks, parking and ball field dug outs etc).

Bennett stated that as of last treasurer report the Park sales tax reserve was \$246,000. Harline stated that was the reserve balance after the ins and outs. Bennett stated that even after making the loan payments for coming year and the proposed \$200,000 budget for 2017 the Park Sales tax would still have reserve of \$155,000.

Harline felt best action was to adopt budget for 2017 and then make the motion for transfer of funds from Park sales tax.

Harline elaborated on the handicapped accessibility and safety at the pool.

Bennett stated that he would like the transfer of funds by April 1, 2016. Bennett offered to take anyone wanting to go and see the project.

Harline elaborated on items in the budget including the water and sewer rate increase of 5% only on actual usage by residents, purchases of Fire Truck and Dump Truck and plow.

V.COMMENTS FROM CITIZENS.

Jessica Orsini revisited the concerns from citizens about the speed limit on Singleton. Harline responded and noted it would be on the agenda in the near future. Cheri and Jessica Grenke approached the Committee with their concerns regarding rental properties stating we have a lot of good landlords in this town and some that are not. C. Grenke made reference to three specific properties and provided pictures of two of them. C. Grenke went into specific detail in regards to a landlord who refused to return a deposit to them even though the ceiling caved in in one room. C. Grenke discussed another rental property with severe interior damage and reported that the landlord refused to do necessary repairs. C. Grenke asked the Board to consider some kind of Ordinance that would allow someone in a situation such as these to be able to get the property condemned for being uninhabitable. Wilkins asks for clarification on C. Grenke's proposition as to who would call and ask for the inspections. C. Grenke provided a copy of an Ordinance from the City of Moberly that allows either the Landlord or Tennant to call for an inspection. Lee asked if the damage was visible when tenants did their walk through. C. Grenke responded it had occurred after the fact. Bormann asked C. Grenke to clarify that the landlord did not refund their deposit after the damage had occurred, C. Grenke responded that was correct. Wilkins asked Harline if a request such as that could be requested from the Health Department. Harline stated yes they can be requested but the County Health Department is not able to do much. Harline stated most of the municipal

rental inspection codes require occupancy permits at the time someone new rents a property or on a schedule such as every three years. Harline noted that if the City wanted to have health and building inspections it would require an individual that is trained to do inspections. Harline noted such a Rental Inspection Program has its advantages, yet fees would need to be accessed to cover the costs of the program.

Harline responded that unused funds from the General Fund are not stored by department and that funds from last year have been repurposed. Chief asked for a cash approval from the Committee that evening. Harline noted a source of funds would have to be identified but this could be revisited at another time.

C. Fire Department.

1. *Activity Report:* Wilkins asked if there were any questions or comments on the Activity Report.

Harline asked how the new hires were doing and Fire Chief Rusch replied that they have jumped right in and are doing great. Wilkins asked about the cost for the firework training. Bormann asked for research to continue Magley, Lee, Wilkins, Vollrath, Ward and Mayor Grenke all agreed. Lee asked if anyone knew if the problem properties were locally owned, management groups or absentee owners. C. Grenke gave additional information regarding the properties she spoke about. as a commercial enterprise manner, versus all residential structures and the Board agreed.

1. CREDI

Harline also noted no CREDI Representative present. Harline made note of CREDI's request to make their contract a two-year contract as opposed to a one year term. Wilkins stated he personally did not have an issue with their request as long as they can forecast what they are going to do for a two-year period. Bormann stated he felt since they were still a relatively new organization, he felt a one-year contract was a better choice. Grenke agreed with Wilkins that they would need to project their plans. Harline asked to revisit contract as a one year or two-year contract, Grenke stated let's see what they ask for.

2. Chamber of Commerce

Grenke welcomed and thanked Ginny Zoellers, Executive Director from the Chamber of Commerce for attending the meeting. Ginny pointed out what the Chamber's annual report outlines. Zoellers noted that they are really pushing the use of Social Media for the business community. VIII. AS MAY RISE.

Harline asked about the committee paying for the City's tickets to the Chamber of Commerce Banquet as we had paid for a table at the CREDI banquet. Bormann, Lee and Wilkins replied how they have always paid for their own. Harline noted that the City paid for a Chamber membership in addition to the annual contract and that they only paid CREDI the annual contract so that would balance. The Committee agreed.

Harline stated there may be a closed meeting coming up in May Committee Meeting., Wilkins reminded the Aldermen that he needed the information he had previously requested from them to compile for the review.

Harline made note of the "Utility Pole" or cell tower request in right of way near Prenger's. Lee asked if that involved a pole rental fee, Harline responded there is no rental fee.

Harline reminded all of the Kiwanis Pancake Breakfast, this coming Saturday at the First Christian Church.

BOARD OF DIRECTORS

MARCH 15, 2016

The board approved the minutes and financial statements from February.

CREDI and the Chamber hosted an Investors Meeting on March 8. Potential investors were invited to hear a proposal presented by Cobblestone Hotels. Many good questions were asked and a lot of information was shared. Seventeen potential investors were in attendance.

A second meeting will be held using the same potential investor list excluding those who did not have an interest and those who did not respond. The next meeting will be at the Country Club and will just be for the Investors to discuss the future of the project. References are being checked and other hotel chains could be considered for a future meeting. The Chamber will split the cost of the meal with CREDI and drinks will be the guests responsibility.

The board chose the annual award winners from the nominations submitted.

Citizen of the Year	Dennis Mills
Ambassador	Sonny & Annette Tucker
Community Betterment	Charlie Johnson
Business	MFA
Agricultural Person	McBride Brothers and families

4 tickets will be offered to the Agricultural persons award winners.

The Educator Award winner Kelly Dickerson was chosen at a previous meeting.

The Director reported on attending an event sponsored by the Mid-Missouri Tourism Council. Several communities and their tourist attractions were featured. Northern Boone County was not represented. The communities in Northern Boone County may want to consider participating with this organization. More information will be obtained.

City of Centralia
Attn: Heather Russell
114 S Rollins St
Centralia MO 65240

Dear Ms. Russell:

I am sending two reports regarding property taxes my office bills and collects for the City of Centralia. The data is compiled as of March 1 each year.

1. A list of all unpaid back taxes for tax years 2015, 2014, 2013, 2012, and 2011, for which we continuously collect and distribute monthly to you; and,
2. Listings of unpaid or partially paid property tax bills which are no longer collectible because the taxes have been, or will be, abated by the Boone County Commission. Reasons for abatement may include:
 - a. After due diligence, the owners of the personal property cannot be located; or
 - b. Bankruptcy and/or probate proceedings have intervened making the balances due uncollectible; or
 - c. The real estate property was not subject to taxation after being acquired by a tax exempt owner after January 1 of the taxable year.

Also, for your information, when an auditing firm requests records or verification of collections and/or distributions made to the City of Centralia, we will provide data consistent with the statutory fiscal year for my office which is March 1 - February 28. If any other time frame is needed, the request must be made in writing thirty days prior to the "as of" date so we can compile the information after the close of a business month.

Please contact my office if you have any questions regarding this information.

Thank you,

City of Centralia Library District
Attn: Heather Russell
114 S Rollins St
Centralia MO 65240

Dear Ms. Russell:

I am sending two reports regarding property taxes my office bills and collects for the City of Centralia Library District. The data is compiled as of March 1 each year.

1. A list of all unpaid back taxes for tax years 2015, 2014, 2013, 2012, and 2011, for which we continuously collect and distribute monthly to you; and,
2. Listings of unpaid or partially paid property tax bills which are no longer collectible because the taxes have been, or will be, abated by the Boone County Commission. Reasons for abatement may include:
 - a. After due diligence, the owners of the personal property cannot be located; or
 - b. Bankruptcy and/or probate proceedings have intervened making the balances due uncollectible; or
 - c. The real estate property was not subject to taxation after being acquired by a tax exempt owner after January 1 of the taxable year.

Also, for your information, when an auditing firm requests records or verification of collections and/or distributions made to the City of Centralia Library District, we will provide data consistent with the statutory fiscal year for my office which is March 1 - February 28. If any other time frame is needed, the request must be made in writing thirty days prior to the "as of" date so we can compile the information after the close of a business month.

Please contact my office if you have any questions regarding this information.

Thank you,

BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF CENTRALIA, MISSOURI, as follows:

SECTION 1. Subsection A of Section 13-13 of the Centralia City Code shall be changed, altered and amended to read as follows:

- A. The following service charges are hereby imposed for the collection and disposal of solid waste within the City:
1. The service charges for collection from each single family residence, apartment unit, multifamily dwelling unit, mobile home, manufactured home, church, fraternal order and club shall be as follows

 - b. A service charge of five dollars and no cents (\$5.00) for additional trash in excess of the limit set in subsection above (13-13 A. 1. a.) set out on the regular collection day of up to an additional two (2) ninety-six gallon (96) carts or the equivalent volume in bags.
 - c. A service charge of five dollars and no cents (\$5.00) for items of “bulky rubbish” as defined in Section 13-6 of this Chapter that the City can conveniently carry (e.g. mattresses, sofas, small sections of carpet).
 - d. A service charge of \$15.00 for the Special Collection of solid waste on a day to be arranged by the property owner or tenant and the City of up to six cubic yards of material, including items of bulky rubbish, provided that each item of bulky rubbish shall be counted as one cubic yard, that may legally be taken to a sanitary landfill in the state of Missouri in the condition it is left at the curb.
 2. Upon written application to the City Clerk and written approval by the City Administrator, from and after the date of such approval, any single person who is sixty-five (65) years of age or older and who resides in a single family residence, apartment unit, multi-family dwelling unit, mobile home or manufactured home, shall be charged eight dollars and sixty-three cents (\$8.63) per month for regular collection and disposal service. An applicant shall present his or her birth certificate or other similar evidence verifying age and otherwise satisfying the City Clerk and City Administrator that such person is eligible.
 3. The service charges for collection from each institutional, commercial, business, industrial or agricultural establishment shall be as follows:
 - a. A service charge of seventeen dollars and twenty-five cents (\$17.25) per month for collection once per week of one (1) container of ninety-six (96)-gallon size or smaller.
 - b. A service charge of thirty-three dollars (\$33.00) per month for collection once per week of two (2) containers of ninety-six (96)-gallon size or smaller.
 - c. For each additional container of ninety-six (96)-gallon size or smaller collected each week in excess of two (2), an additional charge of fifteen dollars (\$15.00) per container of ninety-six (96)-gallon size or smaller payable monthly.

- d. A service charge of thirty-three dollars (\$33.00) per dumpster for collection once per week from approved dumpsters of two-yard size or smaller, payable monthly. - e. For each additional collection of refuse at an institutional, commercial, business, industrial establishment or in excess of their regular weekly schedule a charge of \$5.00 for the collection of one (1) or two (2) 96 gallon carts or smaller volume of refuse and five dollars (\$5.00) for each additional container up to ninety-six (96)-gallon containers OR eleven dollars (\$11.00) per dumpster for each collection. Special collections of solid waste are only allowed in addition to regular service or at the site of temporary water or electric service. No commercial, business or industrial customer may elect to have special solid waste collection service as their sole service.

The average volume of solid waste collected from each institutional, commercial, business, industrial and agricultural establishment each week shall be calculated from time to time by the City Administrator, as well as the number of collections from each establishment each week. The City Administrator shall keep written records of his calculations for each establishment. The service charges set forth above shall be based on such calculations. The average volume of solid waste calculations and the number of collections per week calculated for any establishment may be adjusted by the City Administrator when in his judgment the average volume of solid waste collected each week and/or the number of collections per week have materially changed from the calculations then currently in effect for that establishment. No adjustment calculation shall take effect until at least thirty (30) days after written notice has been provided to the establishment by the City Administrator of the change in the calculation.

RE: City of Centralia
Project No. TAP – 9900(599)

Dear Ms. Jones:

The City of Centralia conducted a bid opening for the above stated project on April 14, 2016. The City received five (5) bids on the project. A copy of the bid tab is enclosed.

The low bidder and second low bidder appear to have met their DBE goal of 6%. A copy of the DBE submittal forms are enclosed.

Enclosed are the following documents for the low bidder and second low bidder:

- a. Itemized bid sheets
- b. Copy of Bid Bond and Power of Attorney
- c. E-verify Affidavit and Memorandum of Understanding

We have also enclosed the Affidavit of Publication showing proof that the project was advertised for 21 days.

The City is recommending the second low bidder, B&P Patterson Concrete & Construction LLC in the amount of \$201,025.02. It has come to the City's attention that the owner of S&A Equipment & Builders LLC, a Ryan Arrowood owner was an officer, shareholder, owner or director of a contractor called Steve and Associates. Several cities have indicated that while working as Steve and Associates, Ryan Arrowood of Steve and Associates was an irresponsible contractor and the City of Stover has formally suspended / debarred Ryan Arrowood of Steve and Associates from being an eligible contractor or bidder in their City. Copies of the City's letters are enclosed herewith. Also the itemized bid submitted by S&A Equipment & Builders LLC was written in pencil and not in ink, as stipulated in MoDot specifications. As such and in accordance with MoDot specifications, Section 102.14, Disqualification of Bidder, paragraph (c) and Section 102.7.1, the City of Centralia rejects the bid of S&A Equipment & Builders LLC and again recommends the second low bidder B&P Patterson Concrete & Construction LLC.

We cordially request concurrence of award to B&P Patterson Concrete & Construction LLC for this project.

Sincerely,

Tim Grenke, Mayor
