Re-Zoning Request for 404 S. Jenkins

Minutes:

Chairman Aleshire opened the public hearing at 6:35 pm and called for comments on the issue of re-zoning property located at 404 S Jenkins. Owner Sam Jennings initially requested the property be changed from R1 to R2; the application was later amended to request rezoning to R3. Discussion was held regarding the city and county requirements for each zone; it was determined

R2 would be more beneficial to the owners, to which Sam Jennings agreed. Commissioner Behrns made a motion to recommend the Board of Aldermen re-zone 404 S Jenkins as R2. Commissioner Magley seconded the motion. On a call by Chairman Aleshire for ayes and nays the motion passed unanimously. The Public Hearing section was closed at 6:43pm.

6. DISCUSSION INVOLVING CHAPTER 30.1 SUBDIVISION OF LAND

Minutes:

City Administrator Strain presented a copy of city code section 30.1-6 subsection C. The code currently states that after approval of a preliminary plat by the Board, a developer has a period of 5 years to submit the final plat. The City proposed amending this time frame to two years. Discussion ensued, during which Commissioner Bormann expressed his disagreement with this change; Bormann stated recent subdivision developments have all taken longer than 5 years. Administrator Strain expressed that it is difficult for the City to plan and budget properly for plats that are lingering for years, as material costs and delays continue to rise each year. Commissioner Maenner proposed that the deadline on the code could remain 5 years but additional language could be added to the code to require the developer to make an attempt to begin construction within 5 years, or the preliminary plat would become null and void. In addition, an inflationary clause should be added to the code. The Commission agreed that Administrator Strain will work with City Attorney Cydney Mayfield to draft these changes.

Administrator Strain presented code Section 30.1-13 Subsection E, which contains wording requiring payment for materials for the installation of water mains and hydrants. The City recommended amending this verbiage to read, "Either payment for materials for the installation of water and electric infrastructure, or reimbursement to the City for the costs of such materials. Labor for the installation for such water mains shall be furnished without charge by the City." Commissioner Behrns asked for clarification that this change would only apply to new subdivisions from this point on; Administrator Strain confirmed that current projects and plats would be grandfathered in and would not be subject to this code change. No opposition to the amended language was expressed.

Code Section 30.1-16 Subsection D was presented and discussed. This section currently requires developers to warranty the improvements for one year, and the City recommends increasing this time to 2 years. Discussion centered on the problems with some roads that have been poorly constructed by some developers in the past. Commissioner Hoffman stated the warranty period should be a minimum of 2 years. Commissioners Maenner and Magley pointed out that during construction all necessary third party inspections and concrete testings should be mandatory, at the developer's expense, which could drastically reduce the occurrence of faulty road construction. The Commission directed Administrator Strain to work with City Attorney Mayfield to draft changes to the code.

7. DISCUSSION INVOLVING CHAPTER 30, SECTIONS 12 & 13

Minutes:

City Administrator Strain presented city code Chapter 30, Sections 12 and 13, which address city road requirements. Very few specifications are listed in the code, so Strain has reviewed the City of Columbia code for comparison. Strain advised that an on-call engineer from ES&S is willing to

come meet with the Commission to make recommendations for changes. Strain reported that the ordinance includes no requirements for alleyways, and no backfill guidelines. It does address emergency, weekend, and after-hours street work. No street patches are allowed until the backfill is inspected, approved, and a permit is issued. Commissioner Magley suggested the language be amended to read any city right-of-way. It was also suggested that a permit for street cuts should be amended to require more third party inspections. Commissioner Hoffman requested that the code also address repairing cuts to sidewalks. Commissioner Behrns reminded Administrator Strain that Chapter 30 changes do not require approval by the P & Z Commission. Strain will work with City Attorney Mayfield to review examples from other municipalities in order to draft an ordinance change.

Things to Know

- This proposal shows a summary of proposed product(s), rates, and underlying assumptions. It is not part of the group policy or an administrative services agreement with Sun Life or its affiliated companies.
- This proposal is valid for 60 days, starting from November 8, 2023, and only for the proposed Effective Date.
- This proposal may include fully insured, nonparticipating coverage that terminates at retirement, unless otherwise noted.
- For fully insured coverages, the rates shown may be subject to recalculation pending a) final enrollment, b) census data, and c) review of any additional data requested in the proposal. Please review the assumptions for information about how the rates were derived.
- For fully insured coverages, we require that you provide a copy of the current carrier's policy or certificate, and for self-funded plans we require your Plan Document at time of sale.

The following notices apply to quotes for fully insured coverage:

Producer Licensing

All Sun Life companies require producers who use insurance quotes for the purpose of soliciting, selling, or negotiating insurance to be licensed both by the state where the prospective client is located and by any state where the solicitation, sale, or negotiation of insurance occurs, if different. This requirement pertains to all forms of solicitation, sale, or negotiation of insurance, including but not limited to solicitation, sale, or negotiation conducted in person or by telephone, by e-mail, by fax, or otherwise.

Producer Compensation

We encourage brokers and their clients to discuss what commission or other compensation may be paid in connection with the purchase of products and services from Sun Life companies. All Sun Life companies may pay the selling broker, agency, or third party administrator for the promotion, sale, and renewal of the products and services offered in this proposal. In addition to our standard compensation arrangements, we may make additional cash payments or reimbursements to selling brokers in recognition of their marketing and distribution activities, persistency levels, and volume of business. For New York-issued cases, producers must comply with the specific compensation disclosure requirements of New York Regulation 194.

Plan and Rates

This proposal may be based on employee census information provided by the employer. Acceptance of the group and final rates will be determined by Sun Life based on actual enrollment and case experience, if required. Terms and conditions of any services agreement or any coverage under a policy may be determined by all required final data and by underwriting rules, minimum participation requirements, and policy provisions in effect on the date coverage begins.

Underwriting Companies

The Sun Life group of companies operates under the "Sun Life" name strictly as a marketing name, and no legal significance is expressed or implied. In the United States and elsewhere, insurance products are offered by members of the Sun Life group that are insurance companies. Sun Life Financial Inc., the publicly traded holding company for the Sun Life group of companies, is not an insurance company and does not guarantee the obligations of these insurance companies. Each insurance company relies on its own financial strength and claims-paying ability.

Life and AD&D

We are pleased to offer Life and AD&D insurance to employers, with the benefits employees want. Here are some highlights:

- **Value-Added Services:** Employers can choose one of the Value-Added Services packages that best fits the needs of their employees. These noninsurance services are included in the price of the Life coverage.
 - **Self Care+:** Offers employees and their families (age 13+) 24/7 access to digital tools such as mindfulness activities, guided journals, blogs, and meditations to help them build resilience and improve their mental health. Service provided by AbleTo and is not insurance.²
 - **Emergency Travel Assistance & ID Theft:** Emergency Travel Assistance provides medical, dental and personal emergency assistance for employees and dependents traveling 100+ miles from home. Identity Theft Protection offers prevention and resolution tools to safeguard data and restore its integrity if it is used fraudulently. These services are provided by Assist America and are not insurance.²
 - **Online Will Preparation & Claimant Support Services:** Online Will Preparation provides step-by-step guidance online to create a legally binding will. Claimant Support Services connect claimants and beneficiaries to professional grief, financial and legal counseling. These services are provided by ComPsych and are not insurance.²
- **Accelerated Benefits:** Terminally ill employees may access a portion of their death benefit while they are alive.
- **Waiver of Premium:** This benefit helps employees maintain important Life coverage when they become Totally Disabled, as defined by the policy, and meet age requirements. Employers can customize the Elimination Period or choose no Elimination Period—a popular choice because it means easy tracking and immediate benefits for eligible employees.
- **Claims Settlement:** Beneficiaries may elect to receive either a complimentary interest-bearing account or a lump-sum payment. Availability may vary by state.
- **Accidental Death & Dismemberment (AD&D):** Protection for covered Accidental Death and covered injuries resulting in Speech/Hearing Loss, Loss of Limb, Loss of Thumb and Index Finger, and Loss of Use of a Limb Due to Quadriplegia, Paraplegia, or Hemiplegia—all with a standard 365-day loss period. Many optional riders can be added, including Seat Belt, Air Bag, Helmet, Business Travel, Bereavement Counseling, and Child and/or Spouse Education. Availability may vary by state.
- **Enrollment Campaigns and Support:** We work with benefits managers to ensure easy enrollment and provide a wide range of tools to help ensure maximum participation at no additional cost.
- **Portability/Continuation:** Allows employees to take their group Life insurance with them (Portability) or continue their Life insurance (Continuation) under the group policy when coverage ends for reasons other than sickness, injury, retirement, or termination of the employer's plan. Employees can apply for portable or continued Term Life coverage without satisfying Evidence of Insurability. Continuation is available in lieu of Portability in states where Portability is not available.
- **Service Guarantees:** We are pleased to offer a Life Service Guarantee, which covers the speed and accuracy of our claims processing as well as how quickly we respond to our customers' phone calls. In addition, we include an overall satisfaction guarantee to ensure that our customers are 100% satisfied with our service. If we do not meet our service standards, the employer will receive a refund via check. Sun Life's maximum liability under this guarantee for any policy year is limited to

the lesser of 3% of the policyholder's annual Life premium or \$5,000. The maximum payment for a breach of any one component is one-third of the maximum liability (lesser of 1% or \$1,667). If a policyholder has more than one line of insurance coverage, the Overall Satisfaction component will be paid only if the service issue arises under this guarantee. Certain limitations apply.

There could be income tax and ERISA implications if the employer-funded Basic Life rates shown above have been reduced in cost (subsidized) by employee-funded Voluntary Life rates that may also be in this proposal. Subsidized rates can potentially create additional imputed income for some employees (under IRC Section 79) and potentially violate ERISA's fiduciary rules. As a group insurance carrier, Sun Life cannot make this determination for you. We recommend that you consult with your tax consultant and attorney before implementing the Basic and Voluntary Life rates in this proposal.

Assumptions

- Standard Sun Life policy language, as filed in the policyholder's situs state, is offered. No special language or state filings are included unless approved in advance and policy provisions are subject to state requirements and availability.
- Completion and approval of the Group Life Insurance Transition Statement prior to the Effective Date. This statement addresses employees who are not Actively at Work.
- An employee must be Actively at Work on his/her Effective Date for coverage to become effective. If an employee is not Actively at Work on his or her Effective Date, coverage will not become effective until the employee is again Actively at Work. Continuity of coverage may apply for takeover plans.
- If the minimum participation requirement is not met for any contributory or employee paid coverage, the policy provisions, Guaranteed Issue amount, and rates are subject to change.
- Dependents are eligible for coverage only when the employee is insured. Dependent coverage amounts are subject to state requirements.
- Coverage for dependents who are hospital-confined due to illness or injury will be effective on the date they are no longer hospital-confined. Hospital-confined does not apply to a newborn child.
- If AD&D coverage is compulsory, employees who elect Life coverage automatically receive AD&D coverage equal to their Employee Life amount.
- Receipt of a copy of the prior carrier's policy or certificate at the point of sale.
- Sun Life requires a final census before the point of sale and reserves the right to re-rate the proposal upon verification of dates of birth, genders, salaries, and occupations.
- Common ownership of the business units.
- Notification of any employer-completed merger or acquisition.
- Evidence of Insurability is required for late entrants, coverage increases, and coverage in excess of the Guaranteed Issue amount.
- For Voluntary Life insurance late entrants may elect the initial increment amount without having to provide Evidence of Insurability (EOI). Existing members may increase coverage by one increment in any year without having to provide EOI, even if the increased coverage exceeds the Guaranteed Issue amount. Other scenarios require Evidence of Insurability to be met.
- Police and Fire exposure cannot exceed 50% of the group.

Group Life and AD&D coverage is underwritten by Sun Life Assurance Company of Canada

Group Dental

We are pleased to offer comprehensive PPO plans and flexible features that can be easily paired to meet your group's dental needs. Here are the highlights:

- **Flexible Plan Designs:** Employers can customize our Passive PPO, Active PPO, and/or Maximum Allowable Charge (MAC) plans to meet their needs.* Offer two plans for a Dual Choice benefit. Include optional features—like orthodontia coverage—for a more robust offering. Adjust benefit waiting periods, deductibles, and some procedure types to suit your employees and your bottom line.
- **Voluntary Dental:** Once a plan design is selected, employers can choose to offer the plan at 100% employee paid for a truly voluntary plan. All voluntary plans are equipped with a voluntary enrollment strategy to improve participation in the plan. Participation requirements apply.
- **Administrative Services Only (ASO) Dental:** An Administrative Services Only (ASO) plan offers the cost advantages of self-funding while providing the same claims processing, payment, reporting and other administrative services found in a fully insured plan. Dental ASO is an administrative service provided to employer sponsored, self-insured dental plans. It is not insurance.
- **Sun Life Dental Network®:** Our Dental plans offer one of the nation's largest PPO **networks**¹. With strong provider penetration and quality assurance controls, it's easy for employees to receive quality dental care from a network dentist near home or work.
- **Lifetime of Smiles®:** We know oral health leads to overall health. That's why we built a program to encourage preventive care with optional benefits, such as:
 - Preventive Max Waiver® – routine dental care does not count towards the annual maximum
 - Preventive Rewards – members can get additional annual maximum dollars the next year based on their paid claims for preventive services
 - RollMax – unused annual maximum dollars can rollover to the next year
- **Robust Online Services:** Employers with Sun Life Dental have access to Sun Life Connect, our user-friendly portal for online plan administration. Your employees can create a Sun Life account to view Explanation of Benefits, find a dentist, learn about dental insurance, read about dental health, and more.
- **Great Service, Guaranteed:** We are dedicated to providing our customers with prompt, responsive customer service. To prove it, we offer a money-back service guarantee that covers the speed and accuracy of our claims processing as well as how quickly we respond to our customers' phone calls. In addition, we include an overall satisfaction guarantee to ensure that our customers are 100% satisfied with our service. If we do not meet our service standards, the employer will receive a refund via check. Sun Life's maximum liability under this guarantee for any policy year is limited to the lesser of 3% of the policyholder's annual Dental premium or \$5,000. The maximum payment for a breach of any one component is one-third of the maximum liability (lesser of 1% or \$1,667). If a policyholder has more than one line of insurance coverage, the Overall Satisfaction component will be paid only if the service issue arises under this guarantee. Certain limitations apply.

1. Zelis Network Analytics data as of January 2022 and based on unique dentist count. Sun Life's dental networks include its affiliate, Dental Health Alliance, L.L.C.® (DHA), and dentists under access arrangements with other dental networks. Nationwide counts are state level totals.

*Product offerings may not be available in all states and may vary depending on state laws and regulations.

- Sun Life requires a final census, which includes participation information for contributory/voluntary benefits, before the point of sale and reserves the right to re-rate the proposal upon verification of dates of birth, genders, salaries, individual benefit elections, and occupations.
- If post-enrollment review shows that the group did not meet all of the underwriting requirements, we reserve the right to re-rate retroactive to the Effective Date or terminate the contract.
- This quote is provided based on information provided with the proposal request. It is intended for informational purposes and is not an offer to contract. The Employer may apply for the group dental insurance shown in this proposal. If the application is accepted by Sun Life, the final rates and benefits will be based on the enrollment census and the verification of the information provided with the rate request.
- Rates assume the group does not currently have dental coverage with Sun Life. However, if the group is currently covered under a Sun Life plan, the rates quoted in this proposal are not valid, and the renewal rates will apply instead. Please contact your Sun Life representative for more information about your renewal rates.

This dental plan does not provide coverage for pediatric oral health services that satisfies the requirements for "minimum essential coverage" as defined by the Patient Protection and Affordable Care Act. ("PPACA").

Group Vision

We are pleased to offer Vision plans and flexible benefits that can be easily paired to meet your group's vision needs. Here are the highlights:

- **Multiple Plan Designs¹:** Employers can select from three different plans to meet their needs.
 - **Plan 1** – Coverage for an eye exam and discounts for materials
 - **Plan 2** – Employer coverage for an eye exam and an option for employees to purchase coverage for materials
 - **Plan 3** – Coverage for an eye exam and materials
- **Voluntary Vision:** Once a plan design is selected, employers can choose to offer the plan at 100% employee paid for a truly voluntary plan. All voluntary plans are equipped with a voluntary enrollment strategy to improve participation in the plan. Participation requirements apply.
- **Easy to Use:** No ID cards or claim forms are necessary
- **Nation's Largest Network:** Your plan comes with access to the largest network² of private-practice eyecare doctors in the U.S. through VSP®. With strong provider penetration and quality assurance controls, it's easy for employees to receive quality vision care.
- **Comprehensive Eye Exam Included:** A comprehensive eye exam is important because VSP doctors can detect signs for other health conditions such as diabetes and high blood pressure.
- **Laser Vision Correction:** Discounts are included with each of our plan options so employees can take advantage of laser surgery to correct farsightedness, nearsightedness, presbyopia or astigmatism.
- **Robust Online Services:** Employers with Sun Life Vision have access to Sun Life Connect, our user friendly portal for online plan administration. Your employees can create a Sun Life account to view explanation of benefits, find an eye care provider, learn about vision insurance, read about vision health, and more.
- **Benefit Tools:** Our mobile app provides members on the go access to find a vision provider, view their vision plan information, claims history and more. This mobile app is available for iOS and Android.

¹ Product offerings may not be available in all states and may vary depending on state laws and regulations.

1. For current financial ratings, please visit www.sunlife.com.

The Sun Life group of companies operates under the "Sun Life" name strictly as a marketing name, and no legal significance is expressed or implied. In the United States and elsewhere, insurance products are offered by members of the Sun Life group that are insurance companies. Sun Life Financial Inc., the publicly traded holding company for the Sun Life group of companies, is not an insurance company and does not guarantee the obligations of these insurance companies. Each insurance company relies on its own financial strength and claims-paying ability.

2. Value-added services are not insurance, are offered only on specific lines of coverage, and carry a separate charge, which is added to the cost of the insurance. The cost is included in the total amount billed. Self Care+ is provided by AbleTo. Emergency Travel Assistance is provided by Assist America®. Identity Theft Protection is provided by SecurAssist®, an Assist America program. ComPsych® is a registered trade mark of ComPsych Corporation. The entities that provide the value-added services are not subcontractors of Sun Life and Sun Life is not responsible or liable for the care, services, or advice provided by them. Sun Life reserves the right to discontinue any of the Services at any time. Employers who provide group insurance coverage and make available value added services within an I.R.C. Section 125 cafeteria plan should consult a tax professional to determine whether those services are Qualified Benefits for Section 125 plans.

Service guarantees: If we do not meet the terms of a guarantee, a policyholder may request in writing a service guarantee review. Sun Life will determine whether it failed to meet the guarantee and whether a payment is made. If the request is approved, payment will be made by check during the policy year, as long as the policy remains in force during this time. Sun Life's maximum liability under a guarantee for any policy year is limited to the lesser of 3% of the policyholder's annual premium or \$5,000 for each line of coverage. The maximum payment for a breach of any one component of a guarantee is one-third of the maximum liability (lesser of 1% or \$1,667). If a policyholder has more than one line of insurance coverage, the Overall Satisfaction component will be paid under the guarantee under which the service issue arises. Please note the Service Guarantees apply to Life, STD (including ASO), LTD and Dental (including ASO). For ASO contracts, service guarantee payments will be based on the annual service fee. Service Guarantees are not available for Stop Loss, Accident, Critical Illness, Cancer, Hospital Indemnity or Gap.

- 1 Go to uhceservices.com > **Billing & Payment**
- 2 Select Payment Method at the top of the page

- 4 Confirm your information is accurate by clicking "I agree"

What this means for your employees

- Your employees and their covered dependents will receive new health plan ID cards, with new information on it for members to use when they access care. Members will continue to use myuhc.com® for their benefit needs. If members are using myuhc.com today, the same login can be used moving forward.

- If you currently use our affiliate company Optum Bank®, Member FDIC, to administer your HSA, you will receive emails from Optum Bank approximately 2 weeks from your policy renewal effective date. The emails will explain how to reregister as the employer with your new medical group number.
- For your employees that have an existing HSA, no action is needed. The employees' account numbers will not be changing, debit cards will not be reissued and their current HSA will automatically be associated to the new medical group number.
- For any new employees/new hires, please use the new custom URL online application for your new employees/new hires to open an HSA. A link to the new online application will be provided in the emails from Optum Bank.
- Please remind your HSA-enrolled employees of the feature for viewing their HSA balance, on myuhc.com. For added convenience, the member website offers a direct link to the Optum Bank website, where members can manage their HSAs.

Notify third-party administrator (TPA)

If you use a TPA to submit monthly eligibility files or make premium payments, you must notify the TPA of any process changes before your new policy effective date.

Automatic transition of Producer of Record

Unless directed by you, there will be no change to your producer relationship (Broker or General Agent). We will automatically transition all producer information to your new group number so they can continue to service your policy.
