

Dear Recreation Center Members and Patrons,

I am sending you this correspondence to inform you that the Park Board has decided to increase Membership fees after April 1, 2019. This is the first increase in fees since the Recreation Center opened in 2009. I want you to know that the Park Board has been considering this change for the past three years and has done so reluctantly. Simply put; the challenge of maintaining and improving the facility, equipment and programs that we have will require additional revenue. We pride ourselves in having a well maintained and high functioning facility as well as the ability to offer a number of programs that are important to our community. We are committed to continue to offer a great value to our members and our community!

Your fees will not go up until your membership comes due after April 1, 2019. If your membership is paid through Bank Draft, we will notify you that you must complete and return a new authorization form, prior to your renewal date. If you pay your membership once per year, your fees will not go up until your membership is up for renewal. Seniors using Silver Sneakers or other insurance reimbursement programs will not be affected.

The chart below shows current fees and the adopted new fee. The chart also includes the increase per month if you are paying through Bank Draft.
