

## CENTRALIA CITIZENS:

The Centralia Police Department over the last couple months has been working towards ways to better serve our community. With much thought and hard work, we have decided to reimplement our Community Watch Program.

The Community Watch Program was successful in later years and continues to be for other communities across the United States. Centralia is an exceptional town, but the police department needs your help.

On the following days, June 15th and June 29th from 1pm to 4pm and July 13th and 27th from 1pm to 4pm. Your Centralia Police officers and participating elected officials, will be walking the neighborhoods to inform you of the upcoming events related to the Community Watch Program.
